# LaCie Dupli Disc DVD125

## PROFESSIONAL MULTIPLE DVD/CD DUPLICATION

### THE NEWEST GENERATION DUPLICATOR

Leading the newest generation of DVD/CD duplicators, the LaCie Dupli Disc DVD125 boasts speeds fast enough to meet the demanding requirements of professionals. It offers a new controller with faster transfer rates for one-touch DVD/CD duplication, a new user-friendly LCD interface with 4 buttons, and new intuitive menus for fast operation and increased options for advanced users.

### MULTIPLE FUNCTIONS & OPTIONS

The must-have solution in the CD/DVD duplication market, the LaCie Dupli Disc DVD125 incorporates smart controller technology, five DVD/CD writers, and a number of innovative functions including the ability to adjust duplication speed in manual mode. Five system modes, including copy, test and verify options, accommodate multiple recording purposes.

### FAST, AUTONOMOUS DUPLICATION

The LaCie Dupli Disc DVD125 saves valuable time by allowing users to create five DVDs/CDs or erase DVD-RW and CD-RW discs simultaneously without draining your computer's resources. This intuitive system automatically recognizes DVD and CD formats for fast, hassle-free duplication and is compatible with most DVD and CD formats.

### THE PROFESSIONAL MEDIA TOOL

The LaCie Dupli Disc DVD125 allows you to quickly duplicate digital data, audio, and video for multiple uses such as training sessions, marketing presentations, multimedia project promotion, product info distribution and more. With increased performance at a lower cost, it's the ideal tool for professionals seeking autonomous, multiple DVD/CD duplication.
